Guide for Members for the Wild Apricot Website

(02/02/2021)

Wild Apricot Membership Management Software

Wild Apricot is a highly regarded long-established Canadian software company

Assist with the administration of wide range of club activities

Enhance the accuracy, security and efficiency of our records

Information is stored securely in the cloud and accessible at all times

The software automatically and accurately performs many activities

Please Help Us Refine the System

We have done our best setting up this website

Of course, we have been unable to actually run it

There are likely to be issues and errors.

Apologies in advance, please help us refine it

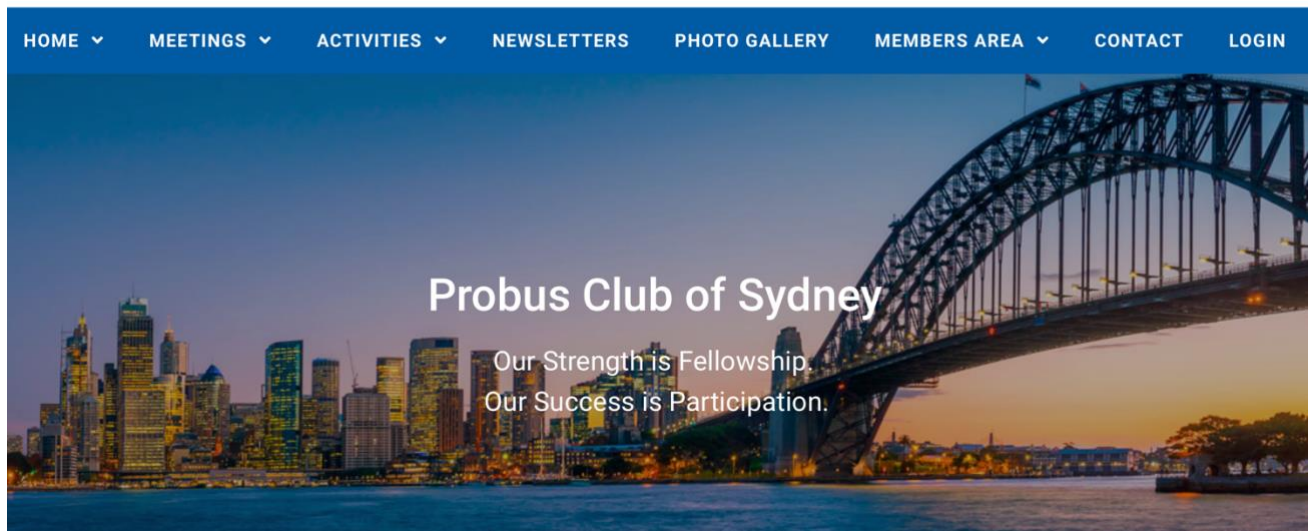

Contact Tony Andrew or Bill Cheshire with any issues, problems or suggestions.

ACTIVITIES (Can be viewed by the General Public)

The screenshot shows a website interface for an activity titled "Tour of the Sydney Mint". On the left, there is a sidebar with the following information: "When 11 Mar 2021 10:00 AM - 12:30 (UTC+11:00)", "Location Macquarie Street Sydney", and "Registered 3 registrants". Below this is a blue "REGISTER" button and the text "Already registered". On the right, the main content area has a red box at the top that says "Example only Not a real Activity". Below that, it says "Tour of one of Sydney's MOST FAMOUS OLD BUILDINGS" and "This is fake news!". There is a photograph of a large, multi-story building. Below the photo, it says "We have been fortunate to secure a private tour of this remarkable old building Macquarie Street Sydney" and "The tour will be followed by a light lunch at Massie's cafe". At the bottom of the main content area, there is a "Show details" link. Red circles and arrows point to the "REGISTER" button, the "Already registered" text, the "Show details" link, and the "Example only Not a real Activity" box.

This is NOT a real Activity, example only!

Click 'Show details' for more information

Click 'REGISTER' to join an Activity and follow the prompts

Online Payment is strongly preferred as subsequent processes are all automatic
EFT and cheques require significant time-consuming action by the Treasurer
