EVENT DETAILS:

**Speaker John Jeremy AM,
Naval Architect & Maritime Historian**

Registrations for the Forty Year Celebratory Luncheon should be made separately.
To register for the Luncheon [click here](#)

Almost 108 years after the RAN acquired its first submarines, a remarkable decision has been made to replace the Navy's present submarines with nuclear-powered boats. In his presentation John will summarise the often-controversial history of the RAN submarine service and outline the development of the modern nuclear submarine and its role. The momentous decision to go nuclear for
