

## How to register for a Meeting

(14 Mar 2023)

### Four Very Important points!

A This is a guide, and just shows what to do. It does not contain active links. Do not click on this page or any of the following

B At any time if your screen goes blank white, scroll to return to the top

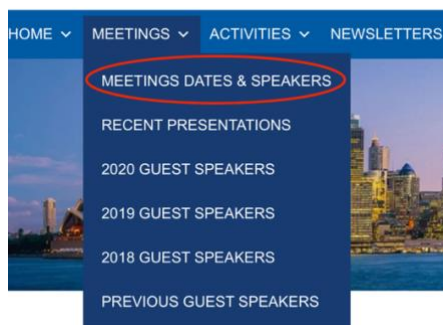

C Remember the website may take a few seconds to respond!

D It is not necessary to Login to Register for a Meeting or an Activity

Enter 'sydneyprobus.org' into your browser/search engine eg Safari or Google or Chrome etc

Click on - Probus Club of Sydney - New experiences and friendships

Go to 'MEETINGS' and select 'MEETING DATES AND SPEAKERS'

### Welcome to your member only area

Members may view and register for **Meetings** and **Activities** above.

Tap or click 'LOG IN' and sign in to view **Member Directory**, a **Membership Application**, **Documents** or **Member Profile**.

*These additional navigation items will appear as links in the navigation bar after you've logged in.*

N.B. When you are finished, you should log out using the  icon above (shows in place of the 'LOG IN' button) and then close this window!

Select MEETINGS

The up-coming Meetings will show.

## "Tick-induced Allergies: Mammalian Meat Allergy and newly emergent allergies, with an extraordinary evolutionary consequences"

**When** 5 Apr 2022  
10:00 AM

**Location** Union, University and  
Schools Club

**Registered** Be the first

**REGISTER**

**Speaker Prof Sheryl van Nunen OAM**

**Clinical/allergy immunologist & educa**

Associate Professor Sheryl van Nune  
Professor, Faculty of Medicine Health  
Associate Professor, Faculty of Medic  
Aside from being an award-winning r  
was the first to describe the associati

Select the meeting for which you wish to attend and click 'REGISTER'

If 'REGISTER' is not shown, the meeting is not yet open for registration

Remember if the screen goes blank, scroll to the top of the screen

### Meetings & Speakers

Submarines for the RAN - Going Nuclear

Add to my calendar

**Event** Submarines for the RAN - Going Nuclear  
1 Mar 2022 10:00 AM
